

## **Fall iPad Distribution**

As part of our 1:1 FLITE plan every student in grades 6-12 is issued an iPad. If your student is new to the district or turned in their iPad for the summer the schedule for distribution is listed below.

We are offering families the option again to participate in the protection plan for the 17-18 school year. This plan is optional. Protection plan fees are \$40 for base rate, \$25 for reduced lunch rate, and \$15 for free lunch rate. Devices that are damaged while not enrolled in the protection plan will not be covered and the full repair or replacement costs will be the responsibility of the student and family.

New this year, families can view and make payments online using the Infinite Campus parent portal. Parents/students will be able to enroll in the iPad protection plan during distribution days. Students who chose to take home their iPad during the summer must bring their iPad in for review prior to enrolling into the protection plan. Students who turned in their iPad for the summer may complete payments online using the Infinite Campus portal.

Please contact the technology office at (507)333-6063 if you have any questions.
